HONORING THE LIFE AND LEGACY OF DR. OLIVIA LEOLA TORRES CRUZ

HON. MICHAEL F.Q. SAN NICOLAS

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 31, 2022

Mr. SAN NICOLAS. Madam Speaker, I rise today to honor the life and legacy of Dr. Olivia Leola Torres Cruz. Dr. Cruz was an esteemed leader, selfless advocate, and dedicated servant to the People of Guam. Our people will fondly remember her as a trailblazing force that meaningfully contributed to shaping our island's healthcare sector and improving the lives of countless others throughout our island.

Widely recognized for her historic achievement as Guam's first female CHamoru physician, Dr. Cruz navigated a path unpaved with unwavering courage and determination. As a young girl that had endured World War II, her education was interrupted. Yet upon its conclusion she remained steadfast in her resolve to excel in school, consistently passing bi-annual examinations to elevate her grade level. After graduating from George Washington High School as one of its Top Ten scholars in 1953, Dr. Cruz moved thousands of miles away from home to pursue an undergraduate career at the University of Wisconsin. She then continued with graduate level research and courses in chemistry at the University of Cincinnati and, in 1962, graduated from the Women's Medical College of Pennsylvania. Shortly after medical school, Dr. Cruz went on to complete an internship at the Denver General Hospital in addition to residencies for internal and pulmonary medicine at the Denver General Hospital, Herman Houston Hospital, and Allegheny General Hospital respectively.

Though Dr. Cruz pursued her professional education in the continental United States, she kept her people at the forefront of her mind and proudly held her identity as a daughter of Guam close to her heart. In 1967 she returned home impassioned with a mission to increase our community's access to medical care. From serving at the Guam Department of Public Health and Guam Memorial Hospital (GMH) to collaborating with the National Institute of Health Research Station as a consultant on lytico-bodig research, a neurodegenerative disease endemic to the CHamoru people, Dr. Cruz devoted her expertise, talents, and decades of work toward standing up a system of care that holistically addresses the needs of our island. This commitment to community is further demonstrated in her persistence to serve as many people as possible by opening her very own private practice clinic, wherein she often provided care to those who could least afford it, and continuing to work part time at GMH despite having retired from government service in 1998.

Beyond her professional capacities, Dr. Cruz embodied a strong sense of character, unquestioningly prioritizing others before self—

a notable example of which was illustrated by her heroic actions to save three individuals who had been involved in an incident in which a twenty-ton compactor toppled over a two-hundred-foot cliff. Without hesitation, Dr. Cruz climbed twenty-five feet down the face of the cliff to render first aid to the injured operator and had them hoisted up to the surface first. Her personal undertaking to lead with compassion is both evident over the course of her lifetime and serves an inspiring blueprint for the many women today who similarly endeavor to pursue a career in medicine.

Dr. Olivia Leola Torres Cruz is an icon of servant leadership and unconditional compassion who poured her heart into securing a better health future for our people. As Women's History Month and Mes CHamoru come to a close, it is further fitting that we reflect on the meaningful contributions of leaders like Dr. Cruz, whose life and legacy have and continue to impact the story of our island community. We extend our deepest condolences to her husband, Dr. Robert Haddock, their children, Michele and Ray, their grandchildren, Robert, Olivia, Francisco, Carlos, Gregorio, Stephen, and Jose, and the rest of their family and friends, and join the People of Guam in remembering and celebrating her life and legacy of selfless service. Dr. Cruz will be deeply missed, and her love and memories will forever remain in the hearts of the People of Guam.

REMEMBERING BRENT RENAUD

HON. J. FRENCH HILL

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 31, 2022

Mr. HILL. Madam Speaker, I rise today to recognize award-winning journalist Brent Renaud, who was killed in Ukraine at the hands of Russian soldiers.

Brent was a Little Rock native who traveled around the world to share the stories and lift the voices of individuals who otherwise may not have been heard.

At the time of his tragic death, Brent was in Ukraine, covering the current refugee crisis that has developed because of Russia's unwarranted and illegal invasion of the sovereign nation of Ukraine.

Brent made a difference in the Arkansas arts community as co-founder of the Little Rock Film Festival and serving as a mentor within the community.

My prayers are with Brent, his family, his friends, and all that were blessed to know him.

HONORING THE LIFE OF EDGAR WINFIELD BARCLIFF, JR.

HON. DONALD M. PAYNE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 31, 2022

Mr. PAYNE. Madam Speaker, I rise today to pay tribute to Edgar Winfield Barcliff, Jr. after his passing on March 16, 2022. Edgar was a beloved husband and family man as well as a proud son of Newark, NJ.

Born in Newark in 1944, Edgar knew that helping his community and those most in need

would be his life's work. He started off as a young cadet in the 1960s before he passed the examination to become an Essex County Correction Officer in 1970. He would serve a long and accomplished career at the Essex County Jail in Newark. In 1986, he became the first Correction Officer in Essex County to receive the Officer of the Year Award. Later, Edgar was the first Correction Officer from the State of New Jersey to be recognized as one of the top five Correction Officers in the country.

Edgar continued his exemplary record of service when he completed a training course for investigators at the Criminal Justice Academy's New Jersey Division. After that, he was appointed as an Investigator at the Internal Affairs Bureau. In 1996, Edgar was promoted to Sergeant and became a Supervisor in the Internal Affairs Division of the same jail where he began his career. He was active in Newark's West Ward Civic Organization and received numerous awards and commendations from federal, state, county, and municipal agencies for his contributions.

After more than 31 years of service, Edgar retired in 2002. But he continued his service with several local and national law enforcement organizations. He was a member of the Board of Trustees for the New Jersey Chapter of the National Organization of Black Law Enforcement Executives (NOBLE) and the National Director and Vice Chairman of the Correctional Peace Officers Foundation (CPOF). He was committed to supporting officers and their families as they navigated through the very demanding law enforcement profession. Edgar's law enforcement and volunteer work were both personal and professional for him. He was a fierce protector of his family, neighbors, and friends and a true advocate for safer, more just neighborhoods and community service. His legacy will live on through the people he touched—from the officers he mentored to the people in Newark and surrounding communities that he served to the family he loved.

Madam Speaker, I ask the House of Representatives to join me in celebrating his life of public service and extend my deepest condolences to his spouse, children, grandchildren, great-grandchild, cousins, nieces and nephews, and friends.

RECOGNIZING THE JOE CAMPOS TORRES PLAZA DEDICATION

HON. SYLVIA R. GARCIA

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 31, 2022

Ms. GARCIA of Texas. Madam Speaker, I rise today to recognize the plaza dedication in honor of Jose "Joe" Campos Torres taking place Saturday, April 2, 2022.

On May 5, 1977, Army veteran Joe Campos Torres died of injuries inflicted by several on-duty officers of the Houston Police Department (HPD). Following a cruel, racially-motivated beating that evening, the police officers took him to the city jail where the jail staff refused to process Joe due to his grave visible injuries. Officers were instructed to transport him to the hospital for medical care. Outrageously, the officers instead pushed Joe off a wharf into the Buffalo Bayou. Tragically, he did not survive.

Joe Campos Torres was taken from his family and our community too soon, but his legacy was the light shone on violent police incidents plaguing Latinos and minorities in 1977. This set a new course of police reform for HPD. In 2021, Houston Police Chief Troy Finner issued a public apology for the brutal murder at the hands of HPD officers more than 40 years ago. Following sincere attempts to address racism within their ranks, today, HPD reflects the diversity of the city and is committed to building powerful relationships with minority communities. Joe Campos Torres' sacrifice sparked this movement and continues to protect countless numbers of Latino and minority community members.

Madam Speaker, let the record show Jose "Joe" Campos Torres is a national and local hero. With this plaza dedication in honor of his life, residents across Houston and the State of Texas will welcome a permanent memorial worthy of his legacy.

RECOGNIZING THE VIETNAM ERA VETERANS

HON. VERONICA ESCOBAR

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 31, 2022

Ms. ESCOBAR. Madam Speaker, it is with great pride that I rise today to commemorate Vietnam veteran alumni from Bel Air High School who made the ultimate sacrifice in service to our country.

On March 29, 2022, we commemorate the 49th anniversary of the last United States combat units leaving South Vietnam. Every year on this day, we observe National Vietnam War Veterans Day to honor the service that veterans made and gain a deeper understanding of their sacrifice. Additionally, the Junior Reserve Officer's Training Corps (JROTC) students and staff at Bel Air High School spend countless hours learning about the war and work to find ways to honor the Vietnam veterans.

I would like to recognize the Bel Air Vietnam veteran alumni who gave their life in honor of their service. The veterans who paid the ultimate sacrifice are:

CPL Charles Peter Barnes, CPL Luis Carlos Borrego, SP4 Roberto Dominguez, SGT Bobby W. Jobe, SP4 Fred V. Jurado, PFC Daniel Leon Navarro, PFC James Wayne Parham, SPC4 Thomas Edward Ross, CPL Hugo H. Ulloa, CPT. James Robert Valtr.

Our Vietnam veterans fought bravely for our country, and we are eternally grateful. Upon their return home, they continued their service in other capacities by continuing their military careers or reentering the workforce. Because of these veterans, America is a stronger nation for generations to come. I am also humbled to recognize the Bel Air High School JROTC cadets in their work to memorialize Vietnam veterans.

Madam Speaker, I ask you to join me in recognizing our Vietnam veterans everywhere. We are forever grateful for their service.

DON YOUNG COAST GUARD AUTHORIZATION ACT OF 2022

SPEECH OF

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 29, 2022

Ms JACKSON LEE. Madam Speaker, I rise in support of H.R. 6865 the Don Young Coast Guard Authorization Act to authorize appropriations for the Coast Guard.

For the last 230 years, the Coast Guard has played a vital role in protecting the marine environment, guarding our nations extensive coastline, and has performed crucial life saving missions.

Over the years, I have had the opportunity to see the Coast Guard in action leading up to and following hurricanes like Ike and Harvey that impacted the Houston area.

I convey thanks and appreciation from Houstonians to the members of the Coast Guard for their service to our great Nation.

The history of the United States Coast Guard can be traced to the United States Revenue Cutter Service, which was founded on August 4, 1790, as part of the Department of the Treasury.

The Coast Guard has protected the United States throughout its long history and served proudly in every one of the Nation's conflicts.

The Coast Guard served as the nation's only armed force on the sea until Congress launched the Navy Department in 1798.

On January 28, 1915, the Revenue Cutter Service and the United States Life-Saving Service were merged to become the Coast Guard.

The U.S. Coast Guard conducts operations that ensure the safety of our nation's waterways and provides humanitarian assistance during national disasters.

The Coast Guard conducted critical search and rescue missions in response to Hurricane Harvey, which devastated my home district in Houston, Texas.

The Coast Guard's response included 2,600 active duty, reserve, civil servant, and auxiliary personnel: 50 rotary and fixed-wing aircraft, 75 shallow-water boats, and 29 coast guard cutters.

The efforts from the Coast Guard resulted in the rescue of over 11,000 people along the Texas and Louisiana coast during and after Hurricane Harvey.

During and in the aftermath of Hurricane Harvey 51 members of the Coast Guard suffered catastrophic property loss and 124 others reported property damage in the impacted areas of Texas during Harvey.

This authorization will ensure that our country's devoted naval personnel have the means to effectively protect and defend our borders as well as expand our sea and land capabilities.

Authorizing funding for the Coast Guard is essential to sustaining our place in the international system as the world's most powerful naval force.

Donald Edwin Young was a dear colleague of mine. For the past 49 years, he represented Alaska's at-large congressional district and made a significant impact on his constituency.

I urge all my colleagues to support the Don Young Coast Guard Authorization Act of 2022.

IN RECOGNITION OF JAMAICA'S 60TH ANNIVERSARY OF INDE- PENDENCE

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 31, 2022

Mrs. CAROLYN B. MALONEY of New York. Madam Speaker, I rise in recognition of sixty years of independence of the nation of Jamaica, and over sixty years of cooperative and friendly relations between Jamaica and the United States.

The United States was among the first countries to recognize Jamaica's independence in 1962 and has enjoyed strong diplomatic and cultural ties with the stalwart island nation since. This diplomatic support has expressed itself through the work of organizations like USAID and direct commercial links between our nations for six decades. And in the last year alone, the United States has demonstrated its strong support for Jamaica through its fight against COVID-19. The United States has sent hundreds of thousands of COVID-19 vaccines to Jamaica to combat the pandemic, and as of December 2021 we have shipped over 400,000 vaccines to the island. But the effects of this crisis expand beyond public health; Jamaica has relied heavily on tourism for its economic successes, and the COVID-19 pandemic hit the nation extraordinarily hard.

To help alleviate those pains, Vice President HARRIS met Prime Minister Andrew Holness at the White House this week. There she announced \$30 million in economic assistance to further augment Jamaica's economic recovery from the pandemic, including investments in human capital and violence reduction. These essential investments were capped by the announcement of even more investments to help Jamaica survive a rapidly changing Caribbean climate, as evidenced by the ever-stronger storm systems and hurricanes that ravage the region every year.

The United States and Jamaica also cooperate proactively on Caribbean security. Under the Caribbean Basin Security Initiative, the United States provides Jamaica with support in tackling trafficking, including training, equipment, and technical assistance on maritime security procedures and more. Our cooperative efforts help to counter public corruption and enhances the Jamaican justice system's efforts to fight crime across the country.

But good relations between our nations goes beyond diplomatic ties, as Jamaicans have emigrated in droves over the decades to the United States. In New York City we are able to enjoy such cultural staples such as Jamaican jerk chicken and ox tails, live Reggae music and more as a result of our neighbor's cultural heritage. Even the highest levels of government enjoy cultural links to Jamaica, where the father of our Vice President was born.

Congratulations to Jamaica for six decades of independent governance, and for being such a longstanding and firm partner of the United States.
